

Notification of Data Security Incident

January 18, 2023 - On February 21, 2022, Hufcor Holdings, Inc. (“Hufcor”) was victimized by a sophisticated ransomware attack that impacted the network. Upon discovery, Hufcor immediately took steps to secure its network and promptly began an investigation, aided by third-party forensic specialists, to confirm the nature and scope of the incident. Hufcor also reported this incident to federal law enforcement. Through the investigation, it was determined that certain files may have been subject to unauthorized access as part of the cyber-attack.

Following a thorough analysis, the investigation determined that the affected files may have included personally identifiable information (PII). The type of information contained within the affected data includes first and last names, in combination with one or more of the following: date of birth, Social Security number, driver’s license number / State ID number, passport number, financial account information, payment card information, health insurance information, and/or medical diagnosis/medical treatment information.

At this time, Hufcor is not aware of any evidence to suggest that any information has been fraudulently misused. However, Hufcor was unable to rule out the possibility that the information may have been accessed during the attack. Therefore, out of an abundance of caution, Hufcor is notifying potentially impacted individuals of this incident.

In response to this incident, Hufcor has partnered with third-party forensic specialists to fully investigate the nature and scope of this matter, and to evaluate and reinforce existing security measures and facilities within the network to ensure optimal data security. Although Hufcor has no reason to believe any individual’s information has been or will be misused as a result of this incident, individuals are nonetheless encouraged to monitor their credit reports and account statements for suspicious activity and to detect errors.

Hufcor has established a toll-free number to answer questions about the incident, to assist with credit monitoring enrollment, and to address related concerns. The number to call is 833-758-9600. The hotline hours of operation are Monday through Friday, from 6 a.m. to 6 p.m. Pacific Time.

If you believe you were impacted by this event, and wish to enroll in credit monitoring services, please contact the dedicated call center at 833-758-9600 to obtain an enrollment code.

Hufcor takes the privacy and security of the information in its care seriously, and sincerely regrets any worry or inconvenience this incident may have caused.
